CHISOMBILI OKOYE

< FRONT END DEVELOPER />

PROFILE

Enthusiastic **Front-End Developer** dedicated to building and optimizing the performance of user-centric, high-impact websites and applications. Has web development experience building single-page applications with ReactJS on the front-end, PostgreSQL for data storage, and Python on the backend for serving APIs. An advocate for test-driven development. Works independently with minimal supervision in a fast-paced customer-focused environment and enjoys being part of a collaborative and productive team

WORK EXPERIENCE

WEB DEVELOPER / Freelance

Calgary, AB / Sept 2020 – Present
